GLOBAL TEA GIVING BOX

A simple fundraiser for your Sunday School or church ministry

POTENTIAL FUNDS FOR YOUR MINISTRY

$160

from one box when all 36 teas sell at the suggested retail prices

A fundraiser with a wider purpose

The Global Tea Giving Box includes 36 individually packaged teas in six flavors. Your church can offer them as gifts, sell them at church events, or share them with families and friends. Your ministry keeps the money it collects from sales.

Each box also includes a $25 contribution to Be-Loved's programming in India and Nepal. Your fundraiser can support your local ministry while helping Be-Loved continue its outreach.

Box price	Domestic shipping	Total delivered
$125	**$15**	**$140**

Want to explore the box? Visit the Global Tea Giving Box page:

This guide is for planning purposes. The $160 figure assumes all 36 teas sell at the suggested retail prices and does not account for any additional expenses.

Know the numbers before you begin

The table below shows the suggested retail value of the 36 teas in one box. Use it to decide whether this fundraiser fits your ministry.

Tea size	Quantity	Suggested price	Potential sales
Large	12	$12 each	$144
Medium	12	$7 each	$84
Small	12	$6 each	$72
Total	**36**		**$300**

Potential sales if all 36 teas sell	**$300**
Box price	–$125
Domestic shipping	–$15
Potential amount remaining for your ministry	**$160**

How the $25 mission contribution works: The $125 box price includes $100 for product, labeling, fulfillment, and shipping from India to the US, plus a $25 contribution to Be-Loved's programming in India and Nepal. The $15 domestic shipping charge is additional.

Please note: The $160 is potential proceeds, not a guarantee. It assumes every tea sells at the suggested retail price and excludes any additional costs your group may incur. Your ministry keeps the money it collects from sales; there is no profit-sharing arrangement.

Before you order

- Estimate how many church members, families, or event visitors may want to buy tea.
- Decide who will coordinate the sales and handle payments.
- Plan where and when you will offer the tea.
- Review the order terms and plan for any tea that remains unsold.

Five simple ways to sell your tea

You don't need a complicated campaign. Start with people who already know and trust your church.

1. Create a church gift table

Offer the teas after a service or at a church gathering. Display the suggested prices and a short explanation of the fundraiser.

2. Invite families to shop for gifts

Share the tea collection with parents and church members who may be looking for gifts for friends, relatives, teachers, or hosts.

3. Pair tea with a church event

Consider a holiday bazaar, women's gathering, fellowship event, or community open house.

4. Make simple gift bundles

If your church has permission and the extra materials are affordable, pair a tea with a greeting card or another small item.

5. Share the story behind the box

Explain that the box includes a $25 contribution to Be-Loved's programming in India and Nepal. Keep the mission description accurate and respectful.

A simple one-week plan

When	What to do
Day 1	Ask your pastor or ministry leader whether the fundraiser is a good fit.
Day 2	Share the product preview and suggested prices with a small group of likely buyers.
Day 3	Estimate interest and decide how you will display or offer the tea.
Days 4–6	Promote the fundraiser through approved church channels and prepare a sales table or order process.
Day 7	Review sales, payments, and remaining inventory.

Tip: Before ordering, gauge interest with a no-obligation interest list. It helps you make a more informed decision, but expressions of interest are not guaranteed sales. Boxes are purchased outright; review the current order terms, including the policy for unsold product, before committing.
